

What made this quiz app fun/not fun to play?  
I knew all the birds and I was really good at it

Was everything straight forward?  
yes

What parts of the app were well designed?  
The process of the quiz

What made these designs good?  
the fluidity of the selecting and submitting of the options

What was good/bad about the per answer result feedback?  
It was good because there were no errors for me to correct

What about the gesture navigation (swiping to go between the menu and infographic) is good or can be improved?  
It was good, very simple to navigate

Do you prefer navigating with the buttons, gestures, or both?  
both

Were the pictures themselves clear and identifiable?  
yes

How did you find the quiz length?  
Short and sweet. I don't mind it maybe being 10 slides instead of 5

How confident between 0 – 10 (not confident, very confident respectively) are you with identifying New Zealand's native birds?  
10/10

Was the content presented within the quiz unknown and/or informative?  
I still haven't actually seen some of these birds so it was good to know about them, but I still got it all right

Did/would you find this application advantageous to expand your knowledge about New Zealand birds?  
Hell yes
