What made this quiz app fun/not fun to play?
It was a lot of fun to play! I really enjoyed the nice graphics and the sounds. I love NZ birds so think this is a fantastic idea. 10/10

Was everything straight forward?
Yup!

What parts of the app were well designed?
It was honestly all fantastic.

What made these designs good?
The graphics looked nice. It was easy to use.

What was good/bad about the per answer result feedback?
Good as. Once thing is that I think it would be really cool to see a photo of the bird after you submit your answer for the sound to name option.

What about the gesture navigation (swiping to go between the menu and infographic) is good or can be improved?
I am like a grandma with swipe stuff. I think most people would know how to use these new phones nowadays though. Back in my day…

Do you prefer navigating with the buttons, gestures, or both?
Buttons are my personal favourite

Were the pictures themselves clear and identifiable?
Yup!

How did you find the quiz length?
Very nice length.

How confident between 0 – 10 (not confident, very confident respectively) are you with identifying New Zealand's native birds?
7

Was the content presented within the quiz unknown and/or informative?
informative

Did/would you find this application advantageous to expand your knowledge about New Zealand birds?
Absolutely! Love your work
